Activities

Lap Swim | During lap swim at least two lanes of the pool are prioritized for those actively swimming laps. Multiple swimmers may occupy a single lane.

Recreation | During recreation time, the south area of the pool is prioritized for individual exercise, stretching, and relaxation. We ask that members avoid disrupting classes and therapy that may be conducted at the same time.

Classes | Classes will periodically take place in the southeast area of the pool under the guidance of an instructor. Recreation may also be available in the same area and we ask that members follow the guidance of the instructor and avoid disrupting classes that are in session.

Physical Therapy | Therapy sessions may be conducted between the hours of 8am-5pm Monday - Friday . If you participate in recreational swim please do not interfere with therapy sessions.

Private Instruction | Private instruction such as individual swim lessons or aquatic training offered by an instructor may occur at any time.

Crocs | Our competitive swim team is a great way for your child to stay active, have fun and learn good sportsmanship as they compete against other swim teams in Central Arkansas during the summer months. The pool is closed to members during Crocs practices. The whirlpool, steam room and sauna will remain available. We will do our best to notify members of the Crocs seasons dates in advance.

Group Swim Lessons | Group swim lessons will periodically take place in the southwest area of the pool under the instruction of a swim instructor.

Family Swim | During the summer, we encourage family swim Monday - Friday from 1– 5 p.m. while a lifeguard is on duty and after our morning classes are complete. Family swim is also welcome Saturday and Sunday. Children under 12 must be supervised and children under 6 must have an adult in the pool.
