Save Member Portal to Your Home Screen

Turn the member portal into a tile on your phone so your check-in barcode is always one tap away. Look for the **orange circle**. That's where you tap.

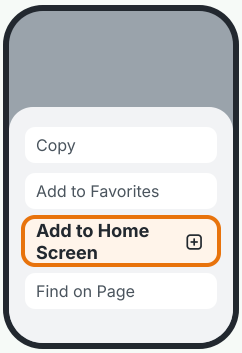

iPhone Use Safari

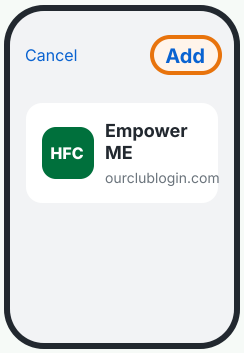

1 Open the **portal link** in **Safari**.

2 Tap the **Share** icon. Don't see it? Tap ••• first.

3 Scroll down and tap **Add to Home Screen**.

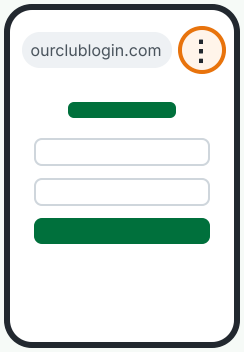

4 Name it **Empower ME**, then tap **Add**.

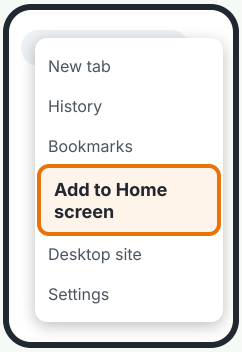

Android Use Chrome

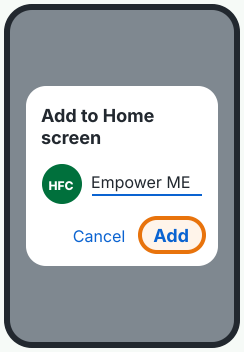

1 Open the **portal link** in **Chrome**.

2 Tap the **three-dot menu** (⋮) in the top corner.

3 Tap **Add to Home screen** (or **Install app**).

4 Confirm by tapping **Add**.

That's it!

Your **Empower ME** tile is now on your home screen. Tap it to log in and show your check-in barcode at the front desk.
